Portugal's capital is one of the most exciting destinations in Europe. Lisbon has an undeniable buzz — it's a friendly, upbeat capital that reflects the city's rich cultural heritage. The tour begins this morning from our Lisbon hotel where we will start with a walking tour. Our tour will provide us with a taste of the heritage of this great medieval city and feel the antiquity as you wander the higgledy-piggledy streets of traditional neighbourhoods. Combined with delightful heritage landmarks in context, we include contemporary works of the old town where we will be able to admire the remarkable invention by Alvaro Siza Viera, the eastern water front, including the Prata Housing Complex by Renzo Piano.
